

INTERNSHIP AGREEMENT OXAIGEN B.V.

INTERNSHIP AGREEMENT

The Parties

1. Oxaigen B.V., with its registered office in (1064 TH) Amsterdam at Slauerhoffstraat 60-3 , Chamber of Commerce 84404868, duly represented in this matter by Luca Roggeveen and Ali El Hassouni, hereinafter referred to as '**internship provider**';

and

2. Dimitry Kruglikov, residing in 1181KB, Amstelveen at Schouwenselaan 77, hereinafter referred to as '**trainee**';

hereinafter individually referred to as 'the Party' or jointly as 'the Parties'. These parties agree to the following:

Article 1 - Subject of the agreement and general conditions

The agreement deals with regulations for an internship. This internship is for a specific period of time. The general requirements which apply to employers of the firm/ organisation for whom the internship will be done are also applicable to the student.

Article 2 - Internship objective and period

The internship program has as its goal the provision of practical experience for students. For this purpose, an internship is initiated, the contents of which can be described as follows:

Backend software engineering summer-internship focused on data-engineering, ELT pipelines, API development and deployment

The internship period runs from 2023-07-11 for the duration of 1 month(s) and 3 days and therefore ends on 2023-08-14 without prior notice. The intern is entitled to 160 hours of leave per year for a 40 week full time contract and calculated relative to the hours per week of the internship. Vacation is only accrued if the internship is longer than 1 month.

Article 2.1 - Internship probation period

The internship is subject to a 0 weeks Probationary Period. The internship provider may terminate this agreement with immediate effect at any time during, or at the end of the probationary period. Additionally, the internship provider shall timely review the performance of the trainee prior to the expiration of the Probationary Period. If the trainee fails to pass the performance review, the trainee shall be considered as failing to meet the required conditions during the Probationary Period, in which case the internship provider shall be entitled to immediately terminate this agreement, without liability to make any payment of economic compensation to the trainee.

Article 3 - Internship supervision

1. The internship provider appoints as internship supervisor to supervise the intern during the internship: Luca Roggeveen, telephone number: 0681830686

Article 4 - Internship

1. The internship program enables the intern to gain practical experience in the field of Product in the following departments: Computer Science and Healthcare data science.
2. The intern will perform internship work on average 40 hours a week.

Article 5 - Status of the agreement

This internship agreement is not an employment agreement within the meaning of Article 7:610 of the Dutch Civil Code. During the period referred to in Article 2, the internship provider will not enter into any other type of (temporary) employment with the intern, in addition to this agreement, including hiring or employment on another basis. Within the framework of the internship activities, the intern will not enter into any other obligations with the internship provider, its supplier, clients or other relations in addition to this agreement.

Article 6 - Status of the trainee

INTERNSHIP AGREEMENT OXAIGEN B.V.

If applicable, during the internship, the intern remains a student of the educational institution.

Article 7 - Internship allowance

During the internship period, the intern will not receive remuneration. The remuneration is €0 per month.

Article 8 - Travel expenses

To deal with the costs involved in commuting between home and work, or in relation to work related travel, travel expenses based on distance and fiscal norms will be paid.

Article 9 - Company Rules

The intern will observe the rules of conduct, regulations and instructions given by the internship provider in the interest of order, safety and health. These were made known to the intern when the agreement was concluded. The intern undertakes to keep all items and property of Oxaigen B.V. , such as access pass and laptop to be handed in at the end of the internship.

Article 10 - Illness

In the event of illness, the intern must report sick as soon as possible, but no later than the next internship day before the agreed starting time, to his internship supervisor or head of the department where he carries out his internship activities.

Article 11 - Confidentiality obligation

The intern is obliged to keep secret, even after the internship period, that which is entrusted to him under secrecy during the internship, as well as all company information that becomes available to him and of which he should reasonably know that it is of a confidential nature. For publications in any form, including the internship report, the prior approval of the internship provider is required. Approval for publication is provided by a signed statement in the internship report.

Article 12 - Liability and Insurance

The traineeship applicant takes out insurance for the trainee's liability for the trainee's liability. This liability insurance provides secondary cover for damage caused by an intern to property of third parties during the period that he/she performs temporary work at the internship provider as part of the training. In this context, property of third parties is understood to mean: property of the internship provider and property of third parties under the management of the internship provider. During the internship period, the student is insured under the “Zorgverzekering en de Wet op Arbeidsongeschiktheid” (Healthcare and Law for Disability).

Article 13 - Disputes

In case of problems during the internship, the intern should first contact the internship supervisor of the internship provider. Disputes that have not been resolved between the intern and the internship supervisor are submitted to the internship supervisor of the internship applicant if applicable. If they cannot reach a solution together, the dispute will be submitted to the management of the internship provider and the internship coordinator of the internship applicant if applicable.

Article 14 - End and termination of the internship

1. The internship provider is entitled to terminate this agreement immediately if:
 - o in the opinion of the internship provider, the intern does not follow the instructions or instructions of the internship supervisor;
 - o the intern fails to comply with his duty of confidentiality, as stated in Article 12, towards the internship provider;
 - o the intern behaves in such a way that the internship provider cannot reasonably be expected to continue to cooperate with the internship;
 - o the internship provider, for reasons of its own, considers that it is unable to provide further cooperation to the internship.
2. Furthermore, this agreement ends:
 - o at the end of the agreed period;
 - o if the parties mutually wish to do so
 - o if the intern leaves his school

INTERNSHIP AGREEMENT OXAIGEN B.V.

o if one of the parties so wishes, provided that the procedure as indicated above as stated in Article 14 and in consultation between the appointee of the internship provider and the internship applicant no conditions have been created under which the internship can proceed.

Article 15 - Previous agreement superseded

Where there is a Previous Agreement between the parties this agreement replaces the Previous Agreement, which is hereby revoked subject to any rights or obligations which may have accrued thereunder prior to the date of this agreement.

Signed:
